Nick Colton was a spoiled rich kid when he ran away from Seattle, leaving his best friend and lover Alex Diaz behind. Ten years later, he's back. He says he's there to donate bone marrow for his half-sister, but Alex knows there's more to it than that. Alex wants to protect himself and everyone else from Nick's plans, but he needs to spend time with the man in order to figure out what he's up to. And the more time they spend together, the more Alex realizes that his own attraction to Nick is far from resolved. Nick is bent on revenge, Alex is trying to maintain his straight and conservative lifestyle, but neither of them can forget what they used to have and what they might, someday, be able to have again.
